A promotional poster for the HS Synbio Summit. The background is dark blue. In the top right corner, there is a white rounded rectangle containing a blue shield icon and the text "Ambassadors Program". The main title "HS Synbio Summit:" is in a large, bold, orange font, followed by "Revitalizing synthetic biology" in a white, sans-serif font. A thin orange horizontal line is positioned below the title. At the bottom, there is a white rectangular area with a faint background of a DNA double helix and a mountain range. The text "HS SYNBBIO SUMMIT" is written in large, bold, black, all-caps letters across the middle of this white area. Below it, "iGEM Community" is written in a smaller, black, sans-serif font. An orange triangle is visible in the bottom right corner of the dark blue background.
